

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Parvaneh Karimzadeh M.D.

- Associate Professor of Pediatrics & Pediatric Neurology
- Department of Pediatric Neurology
- Shahid Beheshti Medical University (SBMU)
- Mofid Children Hospital, Tehran, IRAN

Address

Email: Pkarimzadeh @sbmu.ac.ir
pkarimzadeh@yahoo.com

Mailing address: Mofid Children Hospital , Shariati Avenue, Tehran ,IRAN
Tel: ++9821-22909559 Fax: ++9821-22909559

Academic Records

Post Specialty Education : In Pediatric Neurology, Two years and 3 months of fellowship training , Mofid Children Hospital, Pediatric Neurology Department, Shahid Beheshti University of Medical Sciences , Tehran , IRAN (2001-2003)

-Dissertation: A survey on 100 children with Acute Ataxia in Mofid Children Hospital (Sep 2001- Sep 2003)

Specialty : In pediatrics, Three years, Imam Hospital, Department of pediatrics, Tehran university of Medical Sciences ,Tehran, IRAN (1989-1992)

- Dissertation: Congenital Rickets and a survey in Children Medical Center

Medical Education (M.D. degree) : Tehran University of Medical Sciences (1982-1989)

-Dissertation: Congenital Bronchodysplasia

Short Educational courses

- workshop on early detection and early intervention in neonatal period and early infancy conducted by professor Milicovij Perat, 17-20 October 2000, University of Welfare & Rehabilitation sciences ,Tehran, Iran
 - Advanced workshop on research in medical education, 1994, University of Welfare & Rehabilitation sciences , Tehran ,Iran
 - workshop on Teaching Methodology & Evaluation , 1994 , University of Welfare & Rehabilitation Sciences , Tehran , Iran
 - Workshop on Community Base Rehabilitation (C.B.R)
Conducted by Professor Pandiee, 1995, University of Welfare & Rehabilitation Sciences, Tehran, Iran
 - Workshop on “High Risk infants and Follow up” 17th international pediatric congress, Tehran university of Medical sciences, 30 Sep -6 October 2005, Tehran, Iran
-

Research interest & field of specialization

- Developmental Behavioral Pediatrics
 - Developmental delay (etiology and prevention)
 - Early detection & Early intervention of developmental delay in neonatal period and early infancy
 - Habilitation and NeuroRehabilitation in early infancy
 - D.Q. measurement in early infancy
 - Static Encephalopathy , etiology ,early detection & early intervention
 - Post infectious Encephalomyelitis
-

Educational Experiences

- Head of scientific and organizing and designing of Educational program on” Developmental Behavioral Pediatrics” May 1999, approved by Iranian Board of Pediatrics
- Member of scientific committee of first international congress on children with intellectual disability ,May 1999, University of Welfare & Rehabilitation Sciences ,Tehran, Iran
- Member of scientific committee and scientific director of forth congress on occupational therapy ,December 1994, University of Welfare & Rehabilitation , Tehran, Iran
- Member of scientific committee and scientific director of sixth congress on occupational therapy ,December 1997, University of Welfare & Rehabilitation , Tehran, Iran
- Member of scientific committee and scientific director of seventh congress on occupational therapy ,December 1998, University of Welfare & Rehabilitation , Tehran, Iran
- Member of scientific committee and scientific director of first national Genetic congress , 1999, University of Welfare & Rehabilitation , Tehran, Iran
- Member of scientific committee and scientific director of first national congress on Pervasive disorders ,May 1999, University of Welfare & Rehabilitation , Tehran, Iran
- Member of scientific committee and scientific director of first national congress on Rehabilitation Nursing, January 1999, University of Welfare & Rehabilitation , Tehran, Iran
- Coordinator and conductor panel discussion on early detection and early intervention of developmental delay in early infancy, 15th international pediatrics congress ,Tehran University of medical Sciences ,October 2003, Tehran, Iran
- Coordinator and conductor panel discussion on early detection and early intervention of developmental delay in early infancy, third national congress on child neurology ,Iranian child Neurology Society ,Tehran ,Iran, February 2004

- Coordinator and conductor panel discussion on High Risk Infant, 17th international pediatric congress, Tehran university of Medical sciences, 30 Sep -6 October 2005 , Tehran, Iran
- Chairman manager and Editor in chief of journal of Rehabilitation, Scientific journal of University of Welfare & Rehabilitation Sciences , since 1997
- Head of Department of Medical Sciences , University of Welfare & Rehabilitation Sciences from 1994-2002
- Deputy of Education , University of Welfare & Rehabilitation Sciences from 1995-1996
- Deputy of treatment and rehabilitation ,University of Welfare & Rehabilitation Sciences from 1996-2002
- Member of Iranian child neurology society since 2003
- Member of International child Neurology Association since August 2004
- National Delegate of Asian & Oceanian Child Neurology Society since 2006
- Assistant professor of pediatrics, Department of Medical sciences ,University of Welfare & Rehabilitation Sciences from 1992-2004
- Assistant professor of pediatrics and pediatrics neurology , Department of Medical sciences ,University of Welfare & Rehabilitation Sciences since 2003-2004
- Assistant professor of pediatrics and pediatrics neurology , Department of pediatric neurology Shahid Beheshti Medical University ,Mofid Children Hospital, Jan 2005 – July 2006
- Associate professor of pediatrics and pediatrics neurology , Department of pediatric neurology Shahid Beheshti Medical University, Mofid Children Hospital, since July 2006
- Editor in chief of "Iranian Journal of Child Neurology" , Scientific journal of Iranian Child Neurology Society & Shahid Beheshti Medical University , since Jan 2005
- Deputy & Editorial Board member of "Iranian Pediatric Neurology Research Center" Shahid Beheshti Medical University , since June 2007

- Head of scientific Child Neurology committee and scientific director of congress of Neurodevelopment spectrum, February 2007, University of Welfare & Rehabilitation, Tehran, Iran
- Head of scientific and organizing on workshop of "management of child abuse" in 2nd Iranian congress of Pediatric Emergency ,Feb 2007, Shahid Beheshti Medical University, Tehran, Iran
- Member of scientific committee and scientific director of Forth congress on Child Neurology, Iranian Child Neurology Society, Hormozgan University of Medical Sciences, February 2005 ,Bandarabbas, Iran
- Member of scientific committee and scientific director of 7th congress on Child Neurology, Iranian Child Neurology Society, Mashhad University of Medical Sciences, November 2008 ,Mashhad, Iran
- Head of scientific Child Neurology committee and scientific member of "3rd Congress of Pediatric Emergency" Feb 2008 , Shahid Beheshti Medical University , Tehran, Iran
- Member of scientific Child Neurology committee and scientific member of "4th Congress of Pediatric Emergency" Feb 2009 , Shahid Beheshti Medical University , Tehran, Iran

Oral presentation in national and international congresses

- " Etiology and prevention of Cerebral palsy" first national congress on Cerebral palsy , University of Welfare & Rehabilitation Sciences, December 1992 , Tehran ,Iran
- " A survey on children with Cerebral palsy " second national congress on Cerebral palsy , University of Welfare & Rehabilitation Sciences, December 1994,Tehran,Iran
- " Early detection of Cerebral palsy" The congress of update in pediatrics ,Iranian Society of Pediatrics, December 1997, Tehran, Iran
- "Nutrition and Prevention of Mental Retardation" first national congress on mental retardation , University of Welfare & Rehabilitation Sciences, January 1997, Tehran ,Iran

- “ A survey on 200 children with Cerebral palsy , 12th international pediatric congress , Tehran University of Medical Sciences , October 1999, Tehran , Iran
- “The biology of Autism” first national congress on Pervasive disorders, University of Welfare & Rehabilitation Sciences , May 1999,Tehran,Iran
- “Evaluation of D.Q. in infants” 13th international, pediatric congress , Tehran University of Medical Sciences , October 2001, Tehran , Iran
- “Pathophysiology of Asphyxia” The congress of update in pediatrics ,Iranian Society of Pediatrics, May 2002, Tehran, Iran
- “Rett syndrome” 14th international pediatric congress ,Tehran University of Medical Sciences, October 2002, Tehran, Iran
- “ Status Absence” Third congress on Child Neurology, Iranian Child Neurology Society , February 2004, Tehran, Iran
- “ Tourette syndrome” The congress of update in Pediatrics, Iranian Society of Pediatrics, May 2004, Tehran, Iran
- “ Moyamoya syndrome” 16th international pediatric congress, Tehran university of Medical sciences, 29 Sep -4 October 2004 , Tehran, Iran
- “ Genetic Aspect of Mitochondrial Encephalopathy” The congress of Genetic & Disease, Tehran university of Medical sciences, May 2005,Tehran,Iran
- “ Neurologic etiology of Vomiting” The congress of Surgical Aspects in Pediatric Gastroenterology , January 2005, Tehran, Iran
- “Early diagnosis of Inborn Error of Metabolism in the neonatal period” Forth congress on Child Neurology, Iranian Child Neurology Society, Hormozgan University of Medical Sciences, February 2005 ,Bandarabbas, Iran
- “Post Vaccinal Encephalopathy” The congress of update in Pediatrics, Iranian Society of Pediatrics, May 2005 , Tehran, Iran
- “ Idiopathic External Hydrocephalus” 17th international pediatric congress, Tehran university of Medical sciences, 30 Sep -6 October 2005 , Tehran, Iran
- " Early detection of Neurodevelopmental delay" 5th Congress on Child Neurology, Iranian Child Neurology Society, Zahedan University of Medical Sciences, February 2006 ,Zahedan, Iran
- “ Genetic Aspect of Mental Retardation” The congress of Genetic & Disease, Tehran university of Medical sciences, May 2006,Tehran,Iran

- "Sleep Apnea in Children" 18th international pediatric congress, Tehran university of Medical sciences, October 2006 , Tehran, Iran
- "complex Partial Seizure" 6th congress on Child Neurology, Iranian Child Neurology Society, Tabriz University of Medical Sciences, September 2006 ,Tabriz , Iran
- "Intracranial hemorrhage in child abuse" 2nd Iranian congress of Pediatric Emergency , 3-7 Feb 2007, Shaheed Beheshti University of Medical Sciences, Tehran, Iran
- "Epileptiform discharges in EEG and Cognitive impairment" Congress of Neurodevelopment spectrum " University of Welfare & Rehabilitation Sciences, February 2007 ,Tehran, Iran
- "Defect of Methionine synthetase , a patient with neurological regression, anemia, skin hyperpigmentation and Homocystinuria" The first Congress on Inborn Metabolic Disorders, Tehran University of Medical Sciences, 24-27 May 2007
- "Dravet Syndrome" 19th international pediatric congress, Tehran university of Medical sciences, October 2007 , Tehran, Iran
- " Approach to Dystonia" The congress of update in Pediatrics, Iranian Society of Pediatrics, May 2008 , Tehran, Iran
- "Neurologic disease with presentation of febrile convulsion" first seminar of febrile convulsion, Shahid Beheshti Medical University ,Pediatric Neurology Research Center, Feb 2008,Tehran,Iran
- "Near Drowning in aspect of neurologic Disorders" 2nd Iranian congress of Pediatric Emergency , 1-5 March 2008, Shahid Beheshti Medical University, Tehran, Iran
- "Neurobehavioral disorder & sleep apnea" 20th international pediatric congress, Tehran university of Medical sciences, October 2008 , Tehran, Iran
- "Congenital Myotonia" 7th congress on Child Neurology, Iranian Child Neurology Society, Mashhad University of Medical Sciences, November 2008 ,Mashhad, Iran
- "Tone & Posture in children" 2nd Iranian Annual Neurogenetic Congress (Neuromuscular Disease Update) 26-28 November 2008 ,Tehran , Iran
- " Report of a case with Rett syndrome & Axonal GBS" The congress of update in Pediatrics, Iranian Society of Pediatrics, May 2009, Tehran, Iran
- "Congenital Lebers Amaurosis" 21st international pediatric congress, Tehran university of Medical sciences, October 2009 , Tehran, Iran

- "Multicystic Leukoencephalopathy " 3rd Iranian Annual Neurogenetic Congress (Neurodegenerative Disease Update) December 2009 ,Tehran , Iran
- "ADHD and EEG disturbances" 8th congress on Child Neurology, Iranian Child Neurology Society, Hormozgan University of Medical Sciences, January 2010 ,Bandar Abbass, Iran
- “ Conventional Anti Epileptic drug therapy “ Seasonal congress of Iranian child Neurology congress , February 2010,Children Medical center, Tehran , Iran

Oral & Poster presentations in International Congresses

- “Post Herpetic Neuralgia” 6th Asia/Oceania congress on Gerontology, Seoul, Korea, 8-11 June 1999
- “ Evaluation of children with speech delay” International congress on Rehabilitation, Melbourne, Australia, June 2000
- “ A survey on 200 children with Cerebral palsy in aspect of etiology, types and associated disorders , 5th International congress on Cerebral palsy, International Child Neurology Association (I.C.N.A) 7-10 June 2001, Bled/Slovenia
- “ Evaluation of Developmental age in infants in Tehran “ 9th International child neurology congress , The 7th Asia and Oceania congress of child neurology 20-25 September 2002, Beijing, China
- “ A survey on 100 children with Acute Ataxia in Mofid children Hospital , Tehran, Iran” 8th Asian & Oceanian congress of Child Neurology, 7-10 October 2004, New Delhi, India" The comparison of two types of treatment (High & low dose IVIG) in GBS Children " 10th international Child Neurology Congress , Montreal , Canada 12 – 16 June 2006
- " The evaluation of Effectuality of Na-valproate in Children with developmental delay and abnormal EEG (without seizure) and improvement of their developmental behavioral conditions" 9th Asian & Oceanian congress of Child Neurology , Cebu, Philippines, January 24-27, 2007
- “How to manage Psychobehavioral and cognitive problem? “ 10th Asian & Oceanian Congress of Child Neurology (AOCCN), Daegu (Korea), June 10-13 2009

Selected Papers and Publications

- 1- " Johansson Billizard Syndrome" (very rare syndrome-A case report),
The scientific journal of Medical Council of Islamic republic of Iran,
vol 15, number 2-3, summer and autumn 1997
- 2- " A survey on 200 referral cases of Cerebral palsy" Medical journal of
Iranian Hospital , vol 6, number 7 , July 2003
- 3- " Sleep disorders in children " The scientific journal of Kashan
University of Medical Sciences and Health services vol 5 , number
17, spring 2001
- 4- "Recent findings about etiology of Autism" journal of Rehabilitation,
The scientific journal of University of Welfare & Rehabilitation
Sciences, vol 1, number 2, Autumn 2000
- 5- ' A survey on 100 children with Acute ataxia in Mofid children
Hospital" journal of Rehabilitation, The Scientific journal of
University of Welfare & Rehabilitation sciences, vol 3, number 12,
Spring 2003
